## Customer Reviews

My 3 year old is a big Pinkalicious fan, so when I saw this number book, I thought we would give it a try. So happy we did, she loves the fun pictures, familiar items from other Pinkalicious books and I love the durability of a board book that the book goes up to number 20. She also has fun trying to count backwards with Pinkalicious at the end of the book.

Nice board book and love Pinkalicious character.
