My Busy Week

Synopsis

Finger painting, learning addition and a school trip to the zoo are just some of the universal moments of childhood that a busy boy experiences during his week. Inspired by the longstanding favorite, *Brown Bear, Brown Bear* (Martin/Carle), the story uses predictable language to delightfully teach the days of the week. While being a quick read for busy parents, children will be able to "read" along with the simple, fun text while enjoying the charming illustrations. With its singsong, question and answer, chantable verse, it is suitable for the English language learner. The segments of the week are differentiated with drawings for the weekdays depicting school events and weekends featuring activities at home. Grade level appropriate sight words are used. *Readers please note: ebook 17 interior pages; paperback 34 interior pages.

Book Information

Age Range: 3 - 7 years

Paperback: 34 pages

Publisher: Sweetiepie Publishing (September 12, 2014)

Customer Reviews

I downloaded this book when it was available for free on the Kindle. It features nice colorful illustrations and a simple basic story line. My son was able to read it on his own to his little sister. It was perfect for creating that family time. The rhymes are creative and fun.

What a great book for children learning to read. The rhyming and story make it easy for children to follow and learn their sight words. Can't wait to read it to my niece who just started kindergarten. Make this book part of your children's library.

This is a sweet book. I just read it with my 7 yr old great grandson. We then read it to my 5 yr old autistic great grandson. Both enjoyed it. We read it the third time singing the words. Now both boys are playing with their trucks and cars singing it. This is allowing the 4 yr old that he really does not only know the days of the week but has them in order now. Yipee. I would highly recommend this book.
