Synopsis

From sunup to sundown, winter through fall, Leo Lionni's signature illustration style and a toddler-friendly text ask a simple question: When is time of day/season? One of four board books that celebrates the art and imagination of Leo Lionni, this book is a perfect introduction to the concepts of time and seasons for busy toddlers, as well as a wonderful stepping stone into the world of one of our best-loved children's book creators.

Customer Reviews

Not much of a book here. Time concepts are difficult for little ones to grasp and the author might have over simplified the seasons and time of day to the point of minimalist abstraction. Sometimes more is more.
