Sandy Beach, the man, passed away very recently. He became, and will always be an AA legend. He GOT IT, and he KEPT IT by GIVING IT AWAY (as in this CD). Any opportunity to listen to Sandy B speak is an opportunity to have a priceless gift, given from this man's recovered heart. I love this CD. Can't tell you in words how good it is!!! So I'll use exclamation points!!!!!!

Excellent CD to listen to over and over again to help you overcome any issue that you may be facing. Listen just once, no really listen, and you will keep it for repeat listening. It will not let you down. Sandy really lets go to share his experiences.

Had heard about this story at a retreat and was not disappointed. Truly funny and well presented. I have recommended this to others.

Sandy Beach is the best speaker for AA and AIAnon meetings I've ever heard. He is authentic, knowledgeable, and connects well with the audience. I know him personally. John Porter

The CD is funny, understatement, and loaded with amazing insight. It is a must have wherever you are on your journey!

I enjoyed the conversation.

I really didn't like this talk, a lot of talk about what it was like and basically nothing about the way out. I like Sandy beach generally but this isn't one of his best.

Excellent topic for recovery. The disk doesn't always finish and must be replaced. Have not received one.
