# Nora Roberts - Born In Trilogy: Born In Fire, Born In Ice, Born In Shame

## Synopsis

Born in Fire Maggie Concannon is a glassmaker whose exquisite works are more than mere objects of beauty: they are reflections of her own true nature. When gallery owner Rogan Sweeney comes to Maggie's isolated studio, her heart is enflamed by their fierce attraction and her scarred past is slowly healed by a gentle and forgiving love.

Born in Ice When the harsh storms of winter descend upon western Ireland, the locals stay indoors and visitors stay away. Brianna Concannon's bed-and-breakfast becomes a cold and empty place. This year, though, she's expecting an unusual guest—a mystery writer Grayson Thane—from America. A restless wanderer with a dark past, he plans to spend the cold winter alone. Yet sometimes fate has a plan of its own.

Born in Shame Shannon Bodine is a talented graphic artist whose life revolves around her job at a prestigious New York advertising agency. Her world is turned upside down when she learns the identity of her real father: Thomas Concannon. Respecting her late mother's wish, Shannon travels to County Clare. There, her loneliness and shame melt away in the embrace of family. And amid the lush Irish landscape, she discovers the possibility of a love that is meant to be.

## Customer Reviews

Nora Roberts provides a romantic tale of love, passion, family relationships, in a story based in Ireland. The trilogy presents three strong and resourceful young women who are connected by a family mystery. Entertaining escape reading. The audio reader is excellent.

Bought this for Mom, she's old school, using her portable Sony Walkman to listen to books on tape. All tapes were present and in good condition.

As usual, Nora Roberts at her best. I am a great fan and have read most along with her J.D. Robb books. I highly recommend them to everyone.
