# The Amazing Story Of Machu Picchu For Children!: The Magnificent Ancient Incan City In The Clouds That Continues To Entrance People From All Over The World

## Synopsis

Machu Picchu is a magnificent and mysterious city high in the mountains of Peru that is filled with the myths and legends of the Inca people. Even today, five centuries after its construction, Machu Picchu stands as a true engineering marvel, even though it was built with only primitive tools and human labor. Read this easy-to-read children's book and discover... \* What is Machu Picchu and why is it so important? \* Who were the Incas and why did they build this magnificent city? \* Why is Machu Picchu such an engineering marvel that it astounds scholars even to this day? \* How did the Incas build such an amazing structure without the use of iron, strong draft animals, or even wheels? \* What clues may be hidden in the stone structures themselves that could tell us more about the true purpose of Machu Picchu? \* What really happened to Machu Picchu and the people that lived there? \* How was Machu Picchu rediscovered centuries after its inhabitants mysteriously "disappeared?" ...and Much, Much More! So scroll back up and download this educational children's book that reveals the incredible story of Machu Picchu, the mysterious Inca city in the sky.

## Customer Reviews

I think this book was awesome. I learned a lot about Machu Picchu. This book was very good. I

went on my vacation there and it felt like I was there already. This is a 4 star because it was a little shorter than I expected.
