i thought this story was very well written w/ descriptive adjectives and not too much detail. It had many well developed characters such as my favorites Isaac, Suzanna, and Will. Spoilers Ahead.....this story is about a young girl named Suzanna Snow who wants to become a detective like her uncle Bruce, world famous detective. She works as a hostess and kitchen helper at the hotel her parents own. When a very young guest goes missing, named Maddie Cook, it's up to Suzanna, or Zanna for short, to save Maddie and find out who abducted her before her uncle closes the case.

blaming the crime on the wrong person. i recommend this book to children or adults who love mysterys. also recommended for fans of the evolution of calpurnia tate. Enjoy!

I absolutely love this book! It me guessing the whole entire time and it was kind of surprising who it was in the end. I would recommend this book to anyone who likes mysteries. The whole book I was playing who done it. Just remember keep everyone in mind even if you least suspect them.
