Synopsis

Family Business III Demetrius Shepherd is out for blood. His wife has been violated and is now pregnant. Demetrius wants that baby destroyed so his family can move past the nightmare he hadn't been able to protect Angel from. However, Angel sees this baby as a gift from God. A child who will serve the Lord with all his heart | and she'll do anything to keep her baby safe, even if it means defying her husband. Demetrius and Angel thought their love was everlasting and that nothing could tear them apart. But once Angel's other secret is revealed and Demetrius's cheating comes to light their family is pulled so far apart that they have to fight, forgive and forget the sins of the past in order to get to their happy place again.

Absolutely loved this book and the series. Vanessa Miller continues to deliver inspiring stories of God's love, compassion, patience and forgiveness. Family Business III really had me singing "Angels watching over me" as I prayed along with Angel and her parents. Looking forward to book 4

With God all things are possible! The way this book started I just know it was over for Angel and Demetrius, thank God I was wrong. This author became one of my favorites as soon as I read my first book by her!

I choose this rating because this story was a page turner I love the book from beginning to end. Read it in 4 hours. Can't wait for book IV. I love it. It keeps you on your toes wanting to know what happens next.

I gave this book a five star for one of the reasons because I enjoyed the way God is melting the anger and the hatred from around Demetrius heart and also because the offer the way she decided to use Demetrius son as a man after God's Own Heart Another John

I have stayed up and glued to reading about Angel and Demetrius. I can't wait for book 4 to come out. Kodos Vanessa for a great story line that continues to bless one's spirit.

I just love the way Vanessa weaves her stories together. Murder, mystery, love, forgiveness, Jesus and the power of prayer. Very good.

This book was phenomenal. Ms. Miller did not disappoint. Another great series with a powerful message. Can't wait for book 4.

An excellent book concerning a crime family and how God is working in their lives.
