## Synopsis

In 2000 Harcourt proudly reissued Antoine de Saint-Exup ry's masterpiece, *The Little Prince*, in a sparkling new format. Newly translated by Pulitzer Prize-winning poet Richard Howard, this timeless classic was embraced by critics and readers across the country for its purity and beauty of expression. And Saint-Exup ry's beloved artwork was restored and remastered to present his work in its original and vibrant colors. Now Harcourt is issuing uniform full-color foreign language editions. The restored artwork glows like never before. These affordable and beautiful editions are sure to delight an entire new generation of readers, students, children, and adults for whom Saint-Exup ry's story will open the door to a new understanding of life.

Grade Level: 4 and up

## Customer Reviews

This edition of *The Little Prince* in Spanish has no the drawings that are essential to understand and enjoy the text. It needs a warning alerting to possible buyers about that. Esta edici n de *El Principito* en espa ol carece de los dibujos que son esenciales para comprender y disfrutar la obra. Deber a advertirse a los posibles compradores acerca de tan importante omisi n.

Esta versi n del principito no est  ilustrada, y eso la vuelve p ocima. No tiene sentido leer el

principito sin sus imÁgenes caracterÃ- sticas. PÃ©sima compra.

De acuerdo a otros lectores esta versiÃ n de El Principito no contiene las necesarias ilustraciones creadas por autor Antoine de Saint-ExupÃ©ry, de ser asÃ- esta versiÃ n de AmazÃ n no tendrÃ¡ ningÃºn sentido para el lector. Warning, this book lacks the required illustrations created by Antoine de Saint-ExupÃ©ry, if such is the case, this version must be avoided. I will make no sense without the illustrations.

This specific translation or just the version from this seller is or should be a publisher reject. I HAVE purchased publishing rejects before to save money on textbooks in college. I was not expecting to get a REJECT and am very disappointed with this. Be advised - shop elsewhere & buy a different spanish language version. The main problem with this version is that the book was not properly "Cut" and so many of the illustrations are chopped off. Also the text is printed too big and runs into the lines above and below a little.

Esta fabÃºla es fÃ¡cil de leer para pequeÃ os y grandes, y con una de las mejores enseÃ anzas. La leÃ- cuando tenÃ-a 8 aÃ-os y ahora 20 aÃ-os despuÃ©s sigue siendo una de mis historias favoritas. La prosa de esta historia es refrescante. El pricipito se convertirÃ¡ en una persona real, que te llevarÃ¡ a conocer gente y lugares, pero sobre todo te enseÃ arÃ¡ una de las mÃ¡s importantes lecciones en la vida. Esta lectura la recomiendo a esas personas como yo que les gusta soÃ ar y aprender. Es todo un auto-examen de personalidad. Que lo disfruten

El principito contiene en tan pocas pÃ¡ginas palabras que penetran el alma para nunca salir. Que bueno que lo lei tan temprano en mi vida. Cada vez que lo vuelvo a leer, me da tanta nostalgia de recordar el tiempo cuando dibujaba por dibujar. Es un libro nuevo cada vez que se le lee, y en la profundidad de sus palabras es imposible no ver el reflejo de nuestro ser verdadero. No se que decir...es demasiado bello para tratar de definirlo.

This was my first book , i read it when i was 7 years old, i have not forgotten about it since then.... If you think you are too old, or too adult for to give it a try and read it...then you should not steal this amazing opportunity from a child of yours...i think it's the best children's literature ever written.

El principito es una hermosa novela en la cual se nos muestran todas las facetas de los seres

humanos atravez de todos los personajes que viven en los distitntos planetas. El principito como personaje representa la bondad, la ingenuidad y la inocencia de los seres humanos.
