## Customer Reviews

My whole family absolutely LOVES this cd! I agree with the previous reviewer that it is very basic scripture reading - no fluff, but that is what we love about it. We play it in the car and both my 10 year old and 2 year old enjoy it and ask for it to be played. I love that there is nothing added - just straight reading of God's word!

We use this cd set at bedtime and the kids love it. It's great to be able to continue to feed them God's word as they go to sleep.

Based on the image on the Cd cover, I was listening for more kid friendly drama in the voices with music in the background while each scripture was being read. It is not holding my 3, 7 and 10 yr olds attention.

Me and my daughter listen to it while we are on our way to daycare and back home. It's fun learning the bible stories while driving instead of having to read them.
