I've purchased a few books on learning how to play the guitar and this book, by far, is the best one that I've found... and probably the best one that you can and will find as well, hehe! This book covers all the basics and the necessary methods you need to know in order to play the guitar. It's mainly for beginners and intermediates and it can save you a lot on guitar lessons! I keep saying this "book," when I actually mean "all the books." All five books, for the price of one, have all helped me so much! I'd definitely recommend this book to anyone who wants to learn how to play the guitar the right way!
