Customer Reviews

My children are trying to learn Japanese and we continuously refer to this book. We take it places with us, like the zoo, to practice learning the names of things as we experience them. Good pronunciation guide in the book, great pictures, and it has an English to Japanese translation at the end of the book for each page which is very helpful.

Very good! The words all make sense and are the same as what I learned in Japanese class. The book is in perfect condition!

Excellent & arrived promptly.
