thx SO MUCH also there is one mob in minecraft that you did not do it diary of a mincraft wither also

could you make diary of a mutant zombie mutant creeper ect... i hope you make them also in lucky blocks there are cool things like bob a zombie with enchanted diamond armor and sword also there is bobs mom a giant with enchanted diamond armor with a sword.

This is great! I don't think you should write another one this time, but, on the other hand THIS IS GREAT!!!!!! (Error: by the way, you said Conrad was as high as Manny's knee. Either Manny is a small Giant, or Conrad is twice the normal human size. You see, typically, you are as high as a Giant's ankle in Minecraft"

Manny the Giant Was misunderstood at first Until he broke free of his curse and lived a hero's life! Manny the Giant He was such a hero That his name will live on as legend and all shall say umm... and all shall say.....hmm, umm, ur, and all shall say "you're my hero!"

cool book! makes me want to get a mod so I can see one (I play minecraft pe) but, yea I like the book and the next book should be about a wither giant (there is such a thing in vanilla minecraft) and it is one of the deadliest mobs ever. so, yea overall a good book and I highly recommend it. keep up writing CN. --TheGolem64

Your books are getting better and better. The characters have a background story now. Why couldn't Conrad make a Jemma like he can create a Giant with a personality? I liked the theme, it reminded me of King Kong. I recommend this book if you like minecraft (or King Kong). Encourage you to keep on writing your great minecraft story's .

This giant zombie was created by..... A MAD SCIENTIST! He first destroyed villages, but then helps the villagers. Dear CN, may be you should write book 2! well, that's it for today! Joowon Hwang/superxper

this is now my favorite book. Well all of crafty Nicoles books are my favorite But i like this one the best for right now. EVERYONE who does or does not play minecraft should read this. Its also kind of sad to but for good reasons. :) :) :) -lvy

But of course, this book was- nope, not gonna waste my time, you know what I have to say, and typing reviews can end up tiring your fingers. Or I could use speech to text..... but oh well, amazing

book. XD
