Customer Reviews

This is probably the best, most complete Minecraft series I've ever read. The plot is very captivating, filled with action and adventure that goes beyond Minecraft; although the background is set in the game there are mazes, fast-paced battles, time travel and lots of plot twists that make this a deeply thought series (unlike other short, simple Minecraft books I've read before). The writing style is

interesting, illustrating the stories through different points of view, making sure the main protagonist isn't always the same and that every character plays an equal importance. The characters do not start out as heroes, but are pretty realistic, sometimes having to deal with treachery, loss, corruption, not to mention the amazing character development throughout all the journeys that Herobrine, SparkleGirl, Emman and the others live. As for the so-called "bad guys", they aren't the usual world-controlling people, they might be powerful, selfish players, or ancient legends waiting for an opportunity, or an entire loyal population following the wrong person. I really enjoyed this collection, even though it's actually 16 books compacted together that I managed to finish in one day, there are a couple of things I need to point out: 1) The punctuation is disastrous, there are dots, commas and question marks often out of place or missing (I had no particular problems understanding, but some readers might) 2) There is lots of killing and violence (i.e.
