Dr. Paul Thigpen is an excellent teacher of the Catholic faith. Among the 40+ books he has written and edited, are *A Year with the Saints*, *A Year with Mary*, and *Manual for Spiritual Warfare*. With those recent titles, his latest book, *Saints Who Battled Satan*, is the logical topic choice. In *Saints Who Battled Satan*, Dr. Thigpen, provides us with examples of saints who fought Satan with Scripture, prayer, and the sacraments. The book begins with the story of Eve and the Fall. He sets

the stage by telling us of the angelic rebellion led by Lucifer, and how his first target after he was expelled from Heaven was Eve. He then walks us through the crafty methods Satan used to cause Eve and all of humanity to fall as well. We then receive 17 chapters, one per saint, which gives brief background information on the saint, and then tells us how Satan attacked them and how they prevailed. Some of the saints include the Virgin Mary, St. Joseph, St. Paul, and St. Dominic. Allow me to tell you about a favorite saint of mine - St. Anthony of the Desert. St. Anthony was born in the 3rd Century to a wealthy family in Egypt. When his parents died, he made sure his sister was taken care of, and then disposed of his inheritance so that he could go out into the desert, like Jesus did. His reason for doing this was that he wanted to learn how Jesus overcame Satan and then teach it to others. Satan did not like Anthony, because he knew he would be a powerful foe if he succeeded, so he first attacked him with all the physical pleasures and comforts of the world. The second attack on St. Anthony involved Satan and a band of demons whipping him to near death. The rest of the chapter details other attacks by Satan and victories by St. Anthony. It then concludes with the details of other men joining St.
