Arcady's Goal

Synopsis

From Newbery Honor-winning author Eugene Yelchin comes *Arcady's Goal*, another glimpse into Soviet Russia. For twelve-year-old Arcady, soccer is more than just a game. Sent to live in a children's home after his parents are declared enemies of the state, it is a means of survival, securing extra rations, respect, and protection. Ultimately, it proves to be his chance to leave. But in Soviet Russia, second chances are few and far between. Will Arcady seize his opportunity and achieve his goal? Or will he miss his shot? This title has Common Core connections. Yelchin's b&w drawings, interspersed throughout the text as both spots and spreads, add emotional depth and amplify the plot; ample soccer detail makes this a winner for fans of the sport. Publishers Weekly Two survivors of Stalinist oppression attempt to form a family in this companion to the 2012 Newbery Honor-winning *Breaking Stalin's Nose*. . . . An uplifting, believable ending makes this companion lighter - but no less affecting - than its laurelled predecessor. Kirkus Reviews

Customer Reviews

As with Yelchin's *Breaking Stalin's Nose*, the subtext of this deceptively simple work challenges readers to look beyond the characters' situation and consider the historical implications of their dilemmas. BCCB Newbery Honor-winner Yelchin provides another glimpse into Soviet life,

once again with a young boy as the main character . . . It is the emotional power of the tale that captures the reader's heart.â • â •The Horn Bookâ œYelchin follows up his Newbery Honor Book, Breaking Stalin's Nose, with another novel set in Soviet Russia . . . this swiftly moving, lucid novel tells an affecting tale, illustrated with often chilling drawings of Soviet lifeâ • â •Booklistâ œYelchin's b&w drawings, interspersed throughout the text as both spots and spreads, add emotional depth and amplify the plot; ample soccer detail makes this a winner for fans of the sport.â • â •Publishers Weeklyâ œTwo survivors of Stalinist oppression attempt to form a family in this companion to the 2012 Newbery Honor-winning Breaking Stalin's Nose . . . An uplifting, believable ending makes this companion lighter - but no less affecting - than its laurelled predecessor.â • â •Kirkus Reviews

Eugene Yelchin is the author and illustrator of the Newbery Honor book Breaking Stalin's Nose. Born and educated in Russia, he left the former Soviet Union when he was twenty-seven years old. Mr. Yelchin has also illustrated several books for children, including Who Ate All the Cookie Dough? and Won Ton. He lives in California with his wife and children.
