Minecraft: Heroes And Criminals 6 In 1 (Minecraft Box Set, Minecraft Hero, Minecraft Diaries, Minecraft Bundle, Minecraft Childrens Books, Minecraft Girl, Minecraft Spy)

Synopsis

For the Minecraft fans who love heroes and criminals: 6 Minecraft stories about heroes, spies, and criminals in 1 book! Book 1: Angela started a journal. She mentions some interesting phenomena from the past that happened because of her secret superpower, but her most adventurous day turned out to be a life saver for her mother and a disaster for a trio of evil thugs. How did she do it? And what was that superpower that helped her perform such a heroic deed? Go ahead and find out. Book 2: This Minecraft book is about a superhero called Rasheed. He has powers, important ones, valuable ones. His mission in life is to help those in need, but when his character gets tested, he finds himself in an awful situation, having to decide between extremely difficult options. The way is clear, and yet it's not. Let Rasheed take you on this journey of epic heroism as he faces some of the hardest trials in his life. Can he prevent the dooming disaster from happening or is it too late? Book 3: The spy in this Minecraft diary has principles, but he is about to throw them all away for a change of mind. Dexter (code name Velonus) discovers something fishy is going on in the hometown he grew up in. His commissioner is acting weird and the top secret mission he is about to fulfill is questionable. Learn more about the dilemma Dexter is facing in this quick and fun Minecraft diary, written by himself. He will show you the background of the life of a spy, with all the secrets that go with it. Book 4: Juan doesn't have a lot of money, and with the unemployment rates in town, he needs to figure out a way to pay his rent fast. He joins a criminal organization and performs every task they give him. Robbing, scamming, and helping with various other criminal acts, he earns enough money to get back on track. Those who are above him soon see him as one of the most successful and notorious criminals ever. But are Juan's motives really what they seem? Or does he have a hidden agenda? Book 5: This is the diary of a Minecraft Mobster, who has been brought up in the mob all his life. After stealing an important magical object and hitting on the daughter of the big boss, he finds himself in a dangerous situation and has to convince his dad to leave the organization and look for a better future elsewhere. Read the exciting short story of Vincenzo the mobster, a guy with a good heart and with doubts about his destined career. Book 6: A killing has been made. The victim is a woman in her mid-fifties. Everyone is puzzled, and it's up to detective Stalfoid to learn who did it. He questions people all over the village, but as he goes on, he discovers that he didn't know as much about the family bonds in this seemingly quiet, peaceful Minecraft village. He is surprised when he connects the dots, and so should you. Engage in this thrilling Minecraft mystery story and pay attention when the truth gets unraveled.

The Minecraft saga seems now endless and it has been difficult to keep up to date with so many new titles out there - be it fiction or guide books we have now so many titles in the market to collect and enjoy. My kids love this one for the great tricks they learned. They brother said that minecraft is a great game to play. I wonder why he come up with that kind of statement where I am having trouble in playing this game. I just realize that I was not able to know the strategies required by this game to make it interesting. And I am so glad to have this book. With the information provided by the author, I will surely master this Minecraft game. Believe me, this is not just for kids. I will surely master this Minecraft game. Believe me, this is not just for kids. Age does not matter in playing Minecraft. Great tips and tactics.

This is a set of stories where characters explore the Minecraft world and experience many exciting adventures. I purchased this book for my daughter who is a big fan of Minecraft and she enjoyed this bundle very much. The stories are well written and can keep young children engaged.

My 5-and-a-half yr old loves it. At this point, it's something we work on together. He loves the

cartoonish depictions of the Minecraft characters. Their expressions are great. Several pages made him laugh. It is really cute for any Minecraft loving child. Overall worth the purchase.

Minecraft is really very popular in these days. The author started with enumerating bazillion things you could build in this virtual world. Some of them are furniture, various types of caves and high rise towers. Then he also listed the different types of worlds that you could create in Minecraft and what's amazing is that you could even create a meal on this virtual game and listed on the guide are various recipes.

I Really liked this book. This book is a good laugh right from the first page. It's a funny, amusing parody of a Diary of a Wimpy Kid, that farts again and again and again. I am still laughing after reading this one and the kids love it too. Definitely recommend this book for anyone who wants to laugh a little!

This is an interesting game to play. This book is quite comprehensive about the characters of Minecraft. The author has described almost everything about the characters and also added tips and instructions to improve gameplay. The instructions are clear and the author has also added images to make its point clear. I hope this book is helpful.

My friend loved the bundle for its extensive explanations and other player's experiences. It seemed to be of much help to my young friend, who is involved in playing it passionately, then the YT clips. He mentioned that here you can manage to follow everything in your own pace without returning to the same place a hundred times like in a video. All in all, he's very grateful that I've found it for him.

It was a nice experience when teleporting further into the desert, and it seemed like there were more and more hostile mobs around me as I went. Not to brag, but endermen are basically the strongest of all the mobs. The problem is that if one of the hostile mobs attacked me, I would get provoked. Overall this book is informative source for better strategies.
