Sebastian Darke: Prince Of Explorers

Synopsis

Sebastian Darke; his snarky buffalope, Max; and fierce fighter Cornelius are off on another hair-raising quest after being hired by a rich merchant to seek out the legendary lost city of Mendip. Not only must they find it, they must bring back valuable proof of its existence. Sebastian doubts they'll reach their destination after trudging through miles of jungle filled with warrior beasts and terrifying tribes. But then he meets the beautiful Keera, whose people believe he's the Chosen One sent to free their tribe from their brutal enemy. Little do they know that Sebastian is definitely not the hero type. He just wants to bring back valuable proof of the lost city. But will the price they must pay outweigh the rewards?

Customer Reviews

I read this book to my 10 year old son and we both enjoyed it as much as the other two books. Sebastian, Cornelius and Max adventure to the jungle of Mendip, meet yet another woman (poor Sebastian!), and encounter and defeat lots of monsters all with the ultimate aim of finding a lost city and piles of treasure. We enjoyed the jokes. We enjoyed the characterisation. All these books are rollicking adventures with a good bit of humour, no boring bits, and no "dark" bits, despite the lead character's surname! One tiny gripe I have is with the editors (or maybe even the typesetters): in one

or two places the punctuation was incorrect, and in one or two places a sentence didn't flow well. This book was so good it deserved the best editing!

Bought this for my son he loves the book he can't put it down. The book came on time and in great condition I hope there are more books to come like this one since

kids loved it
