Theodore Boone: Kid Lawyer

Synopsis

A perfect murder. A faceless witness. A lone courtroom champion knows the whole truth . . . and he's only thirteen years old. Meet Theodore Boone in the small city of Strattenburg, there are many lawyers, and though he's only thirteen years old, Theo Boone thinks he's one of them. Theo knows every judge, policeman, court clerk and a lot about the law. He dreams of being a great trial lawyer, of a life in the courtroom. But Theo finds himself in court much sooner than expected. Because he knows so much—maybe too much—he is suddenly dragged into the middle of a sensational murder trial. A cold-blooded killer is about to go free, and only Theo knows the truth. The stakes are high, but Theo won't stop until justice is served. Brimming with the intrigue and suspense that made John Grisham a #1 international bestseller and the undisputed master of the legal thriller, Theodore Boone: Kid Lawyer will keep readers guessing and pages turning.

Book Information

Series: Theodore Boone

Age Range: 8 - 12 years

Grade Level: 3 - 7

Customer Reviews

I was happy to learn that best-selling author John Grisham was entering the youth market with Theodore Boone Kid Lawyer, the first of a planned series. I read and enjoyed a few of his earlier books some years back and knew he was capable of telling a compelling story. Because I think children and young adults deserve great storytelling (how else will we instill a love of reading in them?), I was looking forward to Grisham's contribution. Unfortunately, it didn't live up to my

expectations. Not only was it not great, it wasn't even particularly good. Thirteen year old Theodore Boone wants to be a lawyer - or perhaps a judge - he hasn't quite decided yet. He loves to hang out at the courthouse and sit in on trials whenever he can. He knows most of the legal types about town - judges, clerks, bailiffs, etc. and they all know him by name. At school, classmates approach him with their troubles and he gives them legal advice. When one of those classmates takes Theo aside and tells him that his cousin may be an important witness to a murder currently being tried before Theo's friend, Judge Gantry, Theo finds himself involved. It's a good premise. But Theodore Boone Kid Lawyer stumbles as soon as it steps up to the plate. For the first 60 pages of the 260 page novel, Theo plods from place to place having (mostly) meaningless and (mostly) uninteresting conversations with (mostly) unimportant-to-the-plot characters. It's an awkward beginning to what I had believed would be a legal thriller, kid style. And while the pace did pick up a bit around that 60 page mark when we began to learn details of the murder, the expected thrills never materialized.
