[...] As an artist, I love love LOVE the art in this book, I think its not only beautiful, but perfect for children. My son spent a lot of time just studying every colorful page. We read it twice in the first sitting because he was so happy! He's not yet 1, so getting him to sit still for story time is tough, and this book was such a hit he sat through it with nothing but a big smile and lots of pointing to the stuff he liked on the pages. I highly recommend this book :) Get it get it get it!" • "Customer Review"Written in a very simple way but with a profound message for both adults and kids." • "Customer Review"I LOVED it. Lots of repetition to help 'lil ones get used to structure and words! Many different words being used to help them improve their vocabulary (or pick the best word!). Most importantly, it sends a good message about how being unique and different is good. I STRONGLY suggest you check this book out!" • "ESLCarissa.blogspot.com"readers will emerge from this book feeling slightly more confident about themselves • "whatever their size." • "ForeWord Clarion ReviewsImportant NoticeThis Kindle book is a children's picture book - please use a device with a color display to read itThis Kindle book features magnification areas - please use the zoom function of your device to magnify the book's text (usually activated by double-tap or double-click, take a look at the help pages of your device or reading app for details)This Kindle book is designed for large displays, e.g. tablets or computers - please use a device with a large display (free Kindle reading apps and Kindle Cloud Reader are available for every major tablet and computer)Tags: World Children's Book, Bilingual Children's Books, Bilingual Books, Emergent Bilingual, Bilingual Education, Foreign Language Learning, ESL, English as a Second Language, ESL for Children, ESL for Kids, ESL Teaching Materials, EFL, English as a Foreign Language, EFL Books, EFL for Children, ELL, English Language Learner, EAL, English as an Additional Language, Children's Picture Book, Dual Language, Foreign Language Study, ESOL, English for Speakers of Other Languages

Customer Reviews

As a beginning Dutch student, I think it is vital to apply your lessons to reading material outside your language excercises. This book is a way to do beginning reading in Dutch, and enjoy it as well. The book is geared towards young children, but any age language student can enjoy it as well.

I love it. Simple enough for an adult who isn't necessarily bi-lingual. Wish there were more of these around to order for my Dutch family.

It's a great book if you wan to learn Dutch or teach it to children.

Lovely story but was disappointed with quality of book. Looked as though it was hurriedly out together, badly stapled, not evenly and colour/fold registration marks were all exposed. More care from publishers would be good.

This was a gift, very difficult to find bilingual Dutch/English child's book. My daughter in law is
