## Synopsis

Teach your child patience !!! \*\* Prime Members can download this book for FREE! \*\* Free Audio Book (Flip-Book) "You forgot the mail?!" The king yelled at the snail. But the snail stayed as calm as could be. He was not afraid of the king, you see. He knew where the gift was; he knew what to do. The monsters learned that patience pays off too. We are all familiar with the phenomenon of children wanting everything "here and now". This story describes just such a situation. I hope you and your children will enjoy it and learn from it. \*\* This book good for beginner readers - and bedtime story

## Customer Reviews

I picked up this story to show support to indie authors and my fellow writers. The story is very well thought out, fun, and teaches a valuable lesson on patience. Both the story and illustrations are created by the author, Sigal Adler. I recommend this book, and others of this author, for parents with young children.

My kids really enjoyed this story. The illustrations are colorful, the rhymes are memorable, and it has

a delightful message that teaches virtue and patience. It has only been few days and my kids are starting to demonstrate the fundamentals of this story. Excellent story for the family to enjoy.

I liked this book. I thought it was well-written and thought out! A great story really for all ages! There really was not any thing about this book that would prove to be unreadable for children or anyone for that fact! I gave this book five stars for a great book with a great moral that's great for anybody! I recommend this book as I just mentioned for anyone because even grownups can seem to have the same problems as this Monster King had. Great work Sigal! By Angela

The story was very easy to read by my children and he loved the illustrations... I could say that some of them were quite hideous but my he love them because they were different... The only thing I would change on this book is the alignment of the text from center to left... Great book! I recommend it! Andrew Becket, author of "Children's Book: The Adventures of Bob and Andrew"

This is such a great story for kids. I started reading it to my little niece the other night and she really enjoyed it, and the illustrations are very cute. As well as being a well-written and easy to understand book for kids, it also has a great life lesson at the end. It teaches children to be patient and to listen to others, which are very important things to learn. Overall a great book which I recommend to anyone who has young children.

This short story is full of value and morals that everyone needs to be reminded of or taught. The snail was very optimistic and confident! We are reminded that when we live in fear like the monster king, you are more prone to anger and intolerance. The world needs more books and programming like this! Awesome job, Sigal Adler! I highly recommend this book for kids of all ages including, YOU! Cheers! :)

Great children's book! I really enjoyed the colorful illustrations and the lessons. The story was interesting and I'm sure this could keep a kid's attention! I would recommend this to someone looking for a book to introduce to their kids. I will let my baby nephew read this one for sure!

Good story about patience. Follow a snail that delivers the mail, snail mail. Your kids will be sure to love the little snail. Illustrations were fun and colorful.
