# More Twisted: Collected Stories, Vol. II

## Synopsis

New York Times bestselling author Jeffery Deaver, the grand master of the plot twist (Booklist), is back with more diabolical tales of suspense. Deaver, author of the Lincoln Rhyme series (>, etc.), crafted first-rate thrills in the story collection >. Here he presents sixteen more tales "including an all-new Lincoln Rhyme entry" spawned from his darkly brilliant imagination. From a stressed-out commuter to a death-row inmate, Deaver's characters are never what they seem and every jaw-dropping curveball he delivers is nothing less than ingeniously devious (People). --This text refers to an alternate Audio CD edition.

## Customer Reviews

I've read one Deaver novel, A Kathryn Dance one, which I enjoyed very much; and several of his short stories now. I enjoyed most of these stories with them ranging from excellent to mediocre and, imho, most were good-very good. My average rating comes to a 3.5 for the stories and I feel happy with that; just a bit better than good! Deaver shows himself to be a good writer and the master of the twist ending. He's been on my tbr list forever. Perhaps next year I can devote some time to him.1. Chapter and Verse - Good one! I played right into the author's hands! A witness in protection is threatened before going to trial and the police try to figure out a clue left by a dead man. I thought I'd figured it out right at the beginning and when the twist came I was proven right until the second twist that is!! Fun. Great start. (4/5)2. The Commuter - This starts off by telling us about a serial killer currently on the loose killing middle class men. A wife is worried about her husband and then we

follow his day to day life and end up watching it unravel in a tale of revenge. Love how this just completely went in unexpected directions at every turn. (5/5)3. The Westphalian Ring - An historical fiction piece set in Victorian London. Not exactly a mystery but the tale of an accomplished burglar who suddenly finds himself under suspicion and how he races against time and the police, now using the latest investigative techniques, to avoid being caught. I actually found myself getting a little bored in the middle as it seemed to be unravelling quite naturally, then, swish, there was the twist, and what a fun story it was. Enjoyable. (4/5)Note: I am hoping some of these stories will start becoming scary or tense rather than just fun soon.4.
