Christmas Lights: A Collection Of Inspiring Christmas Novellas

Synopsis

A Synopsis of Christmas Lights best-selling authors Chautona Havig and Vikki Kestell join debuting authors Cathe Swanson and April Hayman to present Christmas Lights, a collection of four Christmas-themed novellas. From historical romance to contemporary cozy mysteries and Christmas wonder, these four "light" reads will warm your heart and ignite your Christmas spirit!

The Heart of Joy (Vikki Kestell): Joy Michaels, grieving mother and widow, resides in an aging but remarkable Denver home known locally as Palmer House: a most extraordinary refuge for young women rescued from prostitution. Joy and her mother, Rose Thoresen, share the responsibilities of ministering to and mentoring the young women who live under Palmer House's roof. But now Joy faces an agonizing decision: Remain true to the memory of her first love or open her heart to the possibility of new love? And she wonders, "Can true, enduring love happen twice in a lifetime?"

Snow Angels (Cathe Swanson): When Lisa Marsh is roped into serving Thanksgiving dinner at the local community center, she meets lively teenagers, stubbornly independent veterans, eccentric elderly people, and one particularly rude and scruffy homeless man named Pete. She sets out to find him a decent job and make him respectable "whether he likes it or not" but her small project of helping Pete snowballs into an extraordinary Christmas ministry. And the vagabond can be very charming when he wants to be...

Trip the Light Fantastic (April Hayman): Lance "Trip" Devereaux is an FBI agent tasked with the nearly impossible job of tailing and, hopefully, arresting Landry Crawford, the wildest conman east of the Mississippi River. But during his investigation, things go horribly wrong for the klutzy G-man. Will Trip nab his man in time for Christmas? Or will he be left out in the cold?

Christmas Stalkings (Chautona Havig): Wendy Nability is known for her superfluity of cats and her "seven-tree obsession" every Christmas "but when strange things happen around her house, it appears someone is out to get her! Revel in comedy, suspense, and a garnish of romance.
