If I Were A Kid In Ancient China (If I Were A Kid In Ancient...)

Synopsis

If YOU were a kid in the ancient world, everything would be different - or WOULD it? Kids today share many of the same experiences as kids who lived in the ancient world - even though thousands of years have gone by. If YOU were a kid living in ancient China . . . Would you go to school or gym class? What would you eat for breakfast and dinner? What toys would you play with? What "house rules" would your parents expect you to obey? Where would you hang out with friends? If I Were a Kid in Ancient China offers a fascinating look at the daily life of children growing up many years ago - and how it compares to life today.
