Customer Reviews

I got this to help improve my listening skills. Be warned, the narrator speaks in VERY fast French. I could only follow it because I know the story pretty well--that was the point. Overall, a pretty good narration, though the guy makes half the characters have lisps. A bit off-putting. Bonne lecture! (Où écoute?)

If you were hoping that the confluence of your familiarity w/ the text and your French abilities would make your experience of listening both enjoyable and beneficial, well, no.

Awesome reading of the book. Still just hate how they translated Hogwart.
