Earworms Italian (Berlitz Earworms) Vol. 2

Synopsis

Berlitz Earworms mbt® Rapid ITALIAN Vol. 2 Effortless, enjoyable, fast and effective language learning through music The term earworms or catchy tunes refers to those songs which you hear a few times and then just can't get out of your head. Berlitz Earworms mbt® Rapid Languages puts the words and phrases you need not just on the tip of your tongue, it transports them deeply into your long-term memory, ready for instant recall. Simply listen to the music CD filled with rhythmic repetitions a few times and listeners will subconsciously acquire a collection of verbs, nouns and connecting words, all the while picking up the correct accent. Volume 2 will have you talking about yourself and others, the past, present and future, likes and dislikes and general conversational items. What Makes It So Effective? *Effortless, enjoyable and effective* Essential phrases for your trip abroad *Words anchored deeply into your memory by gentle repetition to music* Stimulating and self-motivation through real rapid progress *Developed by language teaching experts* Target language spoken by native speakers *Pronunciation acquired automatically* Listen and learn, anytime anywhere *Phrase book included* Content can be uploaded to iPod® or other MP3 players for use on the go

Customer Reviews

I've tried learning different languages at different times and have used many different programs. This, by far, has been the most enjoyable format and I think the most effective. It's perfect for any commute, long or short. I know Italian is probably one of the easier languages to learn (many similarities with English), but I have always had great difficulty with retention. No so with this format.

If nothing else, setting the lessons to music makes it a more enjoyable listen, not quite so rote-sounding---but there is definitely something to enhanced memory benefits of this. Vols 1 & 2 will give you a good base---however, a 3rd volume is needed.

These, (earworms 1+2) are great. the lessons really stuck in your head.I just wish they were longer or had more volumes.

as my subject heading states this format of learning is a great idea in my opinion, the music and verbal prompting are very closely tied to each other so the listener ends up learning phrases in a similar to way to learning the lyrics of a song, for this reason I felt volumes one and two were a good buy. However I have to agree with the previous reviewer, you need volume 3?? and more , there is little point in releasing foundation volumes if you don't finish the series which in my opinion would be at least 5 of these volumes. Please continue to produce these for the people that have bought 1 and 2 and will buy more.Earworms Italian (Berlitz Earworms) Vol. 1 (English and Italian Edition)Earworms Italian (Berlitz Earworms) Vol. 2 (English and Italian Edition)

This style of learning works so easily for me: it's just like learning song lyrics. I just wish there was a volume 3 - teach me more!
