Synopsis

Kids Discover Music features large, bright photos of 11 musical instruments with simple captions designed for beginning readers. No violins were harmed in the making of this book! Great fun for any kid. Reader Participation: Inside the book I invite readers to send me their drawings of musical instruments and I put them on my website for them to show the world. Neat Musical Instruments: This children's picture book about musical instruments includes bright photos of 11 instruments. As a mother myself, and someone who likes to look at colorful photos, I can say without a doubt that these are some neat instruments. They include: A piano, A guitar, A tambourine, A xylophone, and 7 more fun photos of trucks. Large, Clear Photos: The brightly colored photos have plenty of contrast, so they look good in black and white on an E-Ink Kindle. They also look spectacular in color on a Kindle Fire or in any Kindle App. I Guarantee Your Child is Going to Love Kids Discover Music. allows you to return Kindle ebooks for a refund within 7 days of purchase.
