Customer Reviews

• Selling • is the sailing(!) to the ocean of your dream .There is a difference between marketing and selling. Selling means building up a relationship with your buyer. This is very artistic thing and required creativity as well. Different customers are impressed at different service. In this book you will get those tips to increase your sell. You should always be realistic and honest in your service. What are the substance that you can sell are given here. You need confidence , courage and strong desire to reach the goal. You will succeed-sure.

This book is a helpful tool in learning about sales. If you are planning to start a business, it is a must that you have a background knowledge about sales. I have started selling online before but I stopped. This time I want to start again so I am preparing myself to become a better businesswoman. Learning about sales won't be that hard with this book. This will surely guide me throughout my business in terms of sales.

If you're in the business industry and wanted to be successful in this trade, then by all means, read this book. This 45-page guide on sales will provide you with a lot of important information which can help you increase your sales. The techniques included here are very practical to know and apply. And since this is suitable for beginners, you will definitely find this easy to understand and follow. On the whole, this is a pretty instructive guide which I certainly recommend for businessmen and salespersons.

The Foundation of any business is sales, for sale, business will not survive in the harsh conditions of the modern market that they are today. The book describes all the essential skills that will help you to make your business profitable and to meet the demands of the world. I was interested to read this book, but a little bit complicated. I believe, however, after reading this book, you'll want to organize your business, so you will know how to do it.

It is very interesting and informative book. Therefore it is very useful and helpful especially for those whose work connects with business. A plenty of necessary information about the sales that helps to understand all the fine points. It makes everyone understand completely the importance of sales techniques and useful tips how to make sales better and more effective. Read it and get useful information.

My main place of work - consulting. From time to time I work on probation instruct newcomers, whose functions include sales, cold calling. In addition to practice, I always recommend them to read specialized books. This book is well suited for basic skills training for sales.

I have long planned to do sales, and just bought this book and have not regretted. I learned about the techniques of sales. How is it possible to increase the number of sales in the business. I also liked the sales strategy that I will use. This book will give advice to new sales techniques that will bring a lot of money. An excellent book, you will not regret.

Wonderful Book! I read this book for my brother, he is going to start his business & I want to help him. After reading this book I am confident in marketing of his products. This book is very practical & easy to understand. Author is expertise in his subject. I refer this book time and again & recommend it to all business people.
