Customer Reviews

I have only read the first book in this set, One Chance to Love and it was very very good. I finished it in two settings. I will read the other 3 next.

I enjoyed the stories very much. What I did not enjoy were all of the typos. Editing has to be a part of publishing, doesn't it?

I enjoyed the books and the bible verses within them. I recommend them as easy reading and some were hard to put down.

Great reads for relaxing.
