# Legend Of Swords Battle (Minecraft Adventures Book 3)

## Synopsis

Part 3 of the Minecraft Adventures Series Time slowed as the sword descended towards the neck of the mighty Ender Dragon. With his last remaining dredges of strength Steve pulled the heavy sword down with a heroic war cry that would chill the darkest of enemies to their core. The blade cut through the scaled flesh of the dragon with ease and rent the beast's head from his body with one stroke. The Ender Dragon's body jerked in the last spasms of death before becoming utterly still, silent and powerless. Steve had done it; against all odds he had survived to find the End, challenge the all-powerful dragon and slew it in its own domain. But the victory was not without cost or sacrifice. ## Customer Reviews

What a pleasure to read a decent Minecraft novel. I've not read the first two, but if they are anything like this one, they should be well worth reading. The author could use an editor to help improve his final story, spelling, grammar, mixed words some small story elements missed, but over

all this is very good.

Who doesn't want a free book!!!! It keeps kids entertained and they can learn to read too. Very interesting !!! I love sharing this with kids of all ages!!!

sent and received as ordered

This is a awesome book. I loved it somuch it was hard to put my kindle fire down!This book is highly recommended for all minecraft lovers! ^†
