Shipping Weight: 1.9 pounds

Average Customer Review: 4.7 out of 5 stars [See all reviews](#) (7 customer reviews)

Best Sellers Rank: #2,384,513 in Books (See Top 100 in Books) #79 in [Books > Books on CD > Languages > Language Instruction > German](#) #4609 in [Books > Reference > Words, Language & Grammar > Study & Teaching](#)

Customer Reviews

I purchased this along with the Studio D: Sprachtraining A1 (German Edition) to be used in conjunction with my beginner German courses at the Goethe Institute. (This review covers the text Studio D: Kurs- Und Arbeitsbuch A1 (German Edition), for some reason reviews for both products are grouped together.) The books together make for an effective teaching tool, using repeated exercises to help you with each new section while keeping it interesting. It generally stays away from "corny" scenarios as I have seen in other language books and instead (generally) seem to jump into real world dialogue. The exception of course is a certain amount of grammar and vocabulary. Initially I was put off by the fact that the entire book is in German, even the instructions for each exercise. Sometimes this slowed the process down as I might have had to look up a few terms to understand the point of the exercise. In the grand scheme of learning a language, this is definitely the best way to learn these words or phrases. I'm not sure how effective it is to sequence the chapters in somewhat of a non-linear way. For example, you don't really "start" by learning the alphabet, numbers, days of the week, etc. You really do jump into situational exercises like how to make an appointment over the phone, ask for directions for a certain location, etc. I believe this works, as it helps the speaking process and should you be making a trip to Germany will help you there.
